

After 16 years serving as In-Viro Care Inc.'s Technical Director, I have launch a new professional venture , Indoor Environmental Consultants (**IEC**) to offer consulting services in the IAQ and Mold Remediation field in Puerto Rico, Panama, Colombia, and other Spanish speaking countries.

Our vision is to offer our 16 years of experience to help young or new companies in Latin America countries to growth and expand their business, and at the same time to serve as a commercial and cultural bridge between companies in Latin America looking to establish business relations with U.S. manufacturers and U.S. manufacturers looking for distributors in the Latin American market.

Looking forward to establish a healthy with your company.

Sincerly
